General Catalogue

OF THE

THEOLOGICAL SEMINARY

PRINCETON, NEW JERSEY.

FROM 1812 TO 1856.

Philadelphia:

PRINTED BY WILLIAM S. MARTIEN.

1856.

THIS Catalogue contains the names of all persons who have been connected with the Seminary from its foundation to the present time, as Directors, Professors, or Students, arranged according to the date of their original subscription in the Matriculation Book. It is published in a very incomplete state, as the only practicable means of perfecting the next edition. Any aid in filling blanks or rectifying errors will be thankfully accepted.

The particulars here given respecting the Alumni are the following:

1. The name of the Alumnus. 2. His native state or country. 3. The place of previous education. 4. The time spent here. 5. Subsequent offices or occupations.

The length of residence is indicated by a figure (1, 2, 3, etc.) denoting so many academical years. An additional sign (+ or —) means a month, or a few months, more or less. A negative sign without a figure (—) marks a residence of only a few weeks or days. When these signs are preceded or followed by the name of a theological school, it denotes that the Alumnus was received from another institution of the same kind, or dismissed to join one. The words licentiate, ruling elder, ordained minister, etc. indicate the *status* previous to matriculation. No honorary titles have been given; but the names of such Alumni as have been Directors of the Seminary, or Moderators of the General Assembly, are distinguished by the dates of these appointments.

The design of the register here given being less statistical than biographical, the station or employment mentioned last is not in every case one occupied at present. The asterisk (*) as usual in academic catalogues, distinguishes the dead. Under all these heads, some omissions and mistakes have been discovered since the printing was begun, the most important of which, together with a few recent changes, are given on the next page, that the reader may correct them for himself before examining the Catalogue.
